

STATEMENT OF PURPOSE SAMPLE

Statement of Purpose - Sample

- **Your interest in becoming a member of the Advisory Board**

Under this category, you can talk about how your job experience will help in gaining new insights. You need not limit yourself to these experiences; you can also innovatively talk about relevant skills to help you as a Advisory Board member.

- **Your expertise in the infosec domain**

Under this category, you can talk about your experience in information security, your certifications, and other skills related to information security.

- **Past volunteering experience (if any)**

Under this category, you can provide details on previous experience in any Advisory Board.
